Phenomenal Aire
Cold Plasma Generator Technology

Phenomenal Aire Improves Indoor Air Quality and Cleans Naturally and Safely.

Phenomenal Aire's cold plasma generator technology can offer the same feeling you get when hiking on a high mountain trail or strolling along the ocean shore... without ever leaving the house.

Removes Odor
Odors and VOCs enter the Plasma Field and are broken down into simple molecules like Nitrogen, Carbon Dioxide, Hydrogen, H₂O, Water Vapor & Oxygen.

How Phenomenal Aire Works
Phenomenal Aire creates a plasma field within a home's HVAC system. As air flows through the field molecules are charged, creating ions. These positive and negative ions then naturally scrub the passing air. The ions then travel on into the living space, where they safely kill mold, viruses & bacteria.

The Truth about Indoor Air Quality
According to the US Environmental Protection Agency (EPA), the air inside our homes is often two to five times more polluted than the outside air. On average we spend 90% of our time indoors. The air we breathe is filled with pathogens, odors, mold and fungus spores.

Cleaning Air Naturally Dedicated to improving health and changing lives.

Cleaning Air Safely

Phenomenal Aire Cold Plasma Generator technology kills pathogens and germs while eliminating odors from the air we breathe, without creating any harmful by-products.

- Is ETL Listed & Meets ASHRAE Standards

Grant County Heavy Equipment Operator

Grant County, an Equal Opportunity Employer, located in Elbow Lake is currently accepting applications for the position of a full-time Heavy Equipment Operator.

Required qualifications include a high school diploma and experience operating a variety of heavy machinery. A state of MN Class A CDL driver’s license is required. The position, under the direction of the Maintenance Foreman, is responsible for maintaining county roads, assisting in road repairs, and construction activities. Heavy Equipment Operators are responsible for performing general preventative maintenance to assigned pieces of equipment; assisting project crews in various maintenance, signing or patching activities; and snow removal procedures. Knowledge of safety laws and rules of the road, basic highway construction procedures and principles, and building, road and bridge maintenance standards and practices preferred. Experience operating tandem trucks, motor graders, rollers, backhoes, bulldozers, front end loaders, and tractors desired.

The Heavy Equipment Operator is a full-time, non-exempt, union position. Anticipated beginning pay is \$18.85 per hour. Health insurance and pension benefits are also offered. An application may be obtained from the Grant County website,

<http://www.co.grant.mn.us/> or contacting Human Resources at 218-685-8323, to request an application. Applications must be submitted either online or dropped off at the Grant County building, 15 Central Ave North, Elbow Lake, MN 56531. Applications will be accepted until Friday, January 15th or until filled.

QUESTION & ANSWER COLUMN

Courtesy of Otter Tail County Public Health

Is a COVID-19 vaccine necessary?

Yes. Getting vaccinated against COVID-19 will be one of the best ways to protect our communities and eliminate the virus. Stopping the spread of COVID-19 will get us closer to the end of the pandemic. And by stopping the spread of COVID-19, we can keep businesses and schools open, and return to doing more of the things we enjoy together.

Is the COVID-19 vaccine safe?

Yes. A safe and effective vaccine is the top priority. While vaccine development was accelerated due to the pandemic, it did not impact important safety steps. There are long standing systems in place to ensure that all vaccines are as safe as possible.

Bridal

Flowers and Their Various Meanings

Flowers can represent various emotions. Flowers play a prominent role in many and holidays, perhaps none more than Valentine's Day.

Valentine's Day is a busy day for florists. ProFlowers says it accounts for most of the industry's fresh flower sales. Around 78 percent of the flowers purchased for Valentine's Day are cut flowers, and men are the top consumers.

Roses are the go-to flower on Valentine's Day, but shoppers can look to various blooms to send the right message to that special someone in their lives. In fact, each type of flower conveys its own unique message.

ProFlowers and Pickup Flowers note that the following are some popular blooms and the messages those flowers are traditionally associated with.

• **Amaryllis:** This flower is symbolic of splendid beauty and can be used to indicate worth.

• **Aster:** The aster symbolizes patience, elegance and daintiness.

• **Calla lily:** This bloom symbolizes magnificence and beauty, as well as purity and innocence. That is why Calla lilies are often the flower of choice in wedding bouquets.

• **Carnations:** These are one of the most popular flowers in the world and are generally symbolic of

love and fascination.

• **Daffodil:** Daffodils symbolize regard and chivalry. They also can be indicative of rebirth, new beginnings and eternal life. A single daffodil can signal misfortune, while a bunch expresses joy and happiness.

• **Gerbera daisies:** With large, beautiful blooms in a wide assortment of vibrant colors, gerbera daisies are a favorite flower for cheerful sentiments.

• **Gladioluses:** These tall, striking flowers are eye-catching and make great gifts for significant others. The gladiolus symbolizes honor, infatuation and strength.

• **Iris:** Irises represent faith, hope and wisdom and are cherished for their big, beautiful blooms.

Gift Giving

It doesn't have to end with the holidays. Call us today, 218-736-7586.

One of the most thoughtful gifts you can give your loved ones is the gift of peace of mind.

Preplanning your funeral allows your family to move forward confidently during a difficult time and also gives them peace of mind they followed your wishes.
