OTTER TAIL  
POWER COMPANY

BUSINESS INFORMATION SYSTEMS SPECIALIST  
FERGUS FALLS, MN

At Otter Tail Power Company, our employees support the communities we serve by producing reliable, affordable, and environmentally responsible electricity. Everyone has an important role in accomplishing these objectives! In the Business Information Systems Specialist role, the following activities are performed:

- Be a problem-solver by running diagnostics, troubleshooting, and resolving performance and reporting issues for the company's financial reporting system and other software and applications owned by the Accounting Department.
- Schedule the software operands and sequencing to integrate subsystems with General Ledger and support closing process of the company's financial systems each month.
- Participate in planning and coordinating quarterly upgrades and other duties associated with administration of the company's financial reporting system.
- Collaborate with a team of subsystem administrators to ensure accuracy, control effectiveness, and efficiency of Otter Tail Power Company's financial reporting system.

To be successful in this role, an associate degree in business, accounting, or IT related field or equivalent experience is required. Two years' experience with business systems is required with experience in general accounting and reporting preferred. We are seeking candidates who are motivated and have an eye for detail. The successful candidate will have excellent communication, interpersonal and problem-solving skills, and be a self-starter with the ability to work independently and as part of a team. High level of accuracy and confidentiality required. Selected candidates will be required to complete a pre-interview assessment.

**This role is eligible for a 2-day per week hybrid remote work schedule. Otter Tail Power Company has a competitive wage and benefit package and has a strong focus on talent development. Apply online at [www.otpc.com](http://www.otpc.com). Applications accepted through March 22, 2024.**

*All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.*

OTTER TAIL  
POWER COMPANY

POSITION: PORTFOLIO PROJECT MANAGER  
LOCATION: FERGUS FALLS, MN (HYBRID WORKDAYS AND FLEX TIME ELIGIBLE)

**Description:** At Otter Tail Power, our employees help us to serve the communities we support by producing reliable, affordable, and environmentally responsible electricity. Our employees' impact can take many forms. The Portfolio Project Manager will own the implementation of the portfolio management processes to ensure OTP meets its mission of providing reliable, low-cost and environmentally responsible power to its customers.

**To achieve that, the Portfolio Project Manager will:**

- Create, implement, and manage a portfolio management process.
- Define and enforce standards for preliminary project planning to ensure future project execution is a success.
- Collaborate with all internal Otter Tail Power stakeholders on templates, tools and standards lists for project management and methodologies and train Project Management team on best practices.
- Establish metrics and performance indicators to track the progress and performance of the project portfolio.

**Qualifications:**  
We're seeking candidates with a wide range of skills who are motivated to create the structure that achieves project objectives while aligning with our core values: Integrity, Community, Safety, Resourcefulness, Customer Service and People. Some examples of what we're looking for include:

- There's a lot of innovation in our industry and we want positive, can-do, resilient people who demonstrate a passion for leadership and continuous improvement.
- OTP leaders need to have a confident interpersonal, communications and diplomacy skills to effectively manage the various teams involved in projects and to create positive and effective relationships with various internal and external stakeholders.
- Must be goal oriented, action-focused, pragmatic, and self-disciplined.
- Bachelor's degree in a relevant field like Engineering, Management, etc.,
- 10 years demonstrated experience in project management and gaining project approval from executives, board of directors and regulatory entities.
- Must possess a strong understanding and application of basic project management tools and techniques.

Selected candidates will be required to complete a pre-interview assessment.

**Offering:**  
We believe employment is a partnership and we expect excellence from our talented employees. To support our employees and help them thrive in their career experience and goals, we offer:

- Competitive wage & benefit package.
- Employee Stock Ownership options
- Retirement Savings Fund with employer match
- Health insurance plan options
- Training – our average employee spends hours in training and development each year! This includes safety – one of our 5 values and key to our success – technical, compliance and developmental training.
- Career development is critical to our long-term success. Otter Tail Power employees have opportunities to participate in various leadership development programs, gain access to an a la carte online leadership course catalog, receive mentorship from current leaders and more!
- Access to mental health support from the experts at SupportLinc EAP.

**Otter Tail Power Company has a competitive wage and benefit package and has a strong focus on talent development. Apply online at [www.otpc.com](http://www.otpc.com). Applications accepted through March 22, 2024.**

*All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.*
