HUMANE SOCIETY OF OTTER TAIL COUNTY GET READY, GET SET, SHOP!

By Kristi Lausch, HSOTC Board Member

Due to safe social distancing protocols, the Humane Society of Otter Tail County has made the decision to cancel our spring fundraising dinner, for the second consecutive year. In the past, the dollars raised at this dinner have contributed significantly to the annual operating budget of the shelter. Because of this loss in revenue, HSOTC has had to get particularly creative in finding other ways to make up for this loss of income.

Starting Thursday, April 29th and running until noon on Monday, May 3rd, we will be hosting an online auction on our Facebook page. People seemed to have a lot of fun with the auction we hosted in 2020 and we hope to make it even bigger this year. If you'd like to contribute to this online auction, please drop items off at the shelter, located at 1933 W. Fir Avenue in Fergus Falls, during regular business hours. All items need to be new, or handmade, and delivered no later than April 27th. Items that appear to be used will not be accepted. Gift cards are always welcome too. And most importantly, please like Humane Society of Otter Tail County on Facebook

and sign up to attend this event, share with friends, and bid generously on items. We have some super duper items coming in such as jewelry, home décor, pet stairs, pet products and fabulous gift baskets. We also have a Lake Wobegon book, personally signed by Garrison Keillor and two beautiful hand-crafted wood pet urns. Complete instructions for bidding are listed on our Facebook event page. The HSOTC is an independent non-profit 501c3, providing a safe haven and loving care to over 1,000 dogs and cats every year. We are not affiliated with any national organization or government entity and we rely solely on donations to continue operations. I can personally tell you we work hard to be good stewards of every dollar received and we always put animal care at the fore front of every decision we make. Your donations matter!

And with Memorial Day right around the corner, I would also like to remind you that a custom memorial brick on our wall is a special way to honor a beloved pet or person. Each brick on the wall costs \$100 and for an additional \$30, you can get a second brick, of the same design, for your personal use. We would love to work with you to create a perfect, unique brick! For more information on the auction or memorial bricks, please call the shelter at 218-739-3494.

The Humane Society of Otter Tail County provides a safe haven for approximately 1,100 lost and abandoned dogs and cats every year. As an independent 501(c)3 non-profit, we rely on the generous support from people like you. Every donation of money, supplies or time truly makes a difference in the lives of our shelter animals. Experienced, accredited veterinary technicians manage the shelter and ensure our shelter dogs and cats are healthy and ready for their "forever homes".

Phenomenal Aire

Cold Plasma Generator Technology

Phenomenal Aire Improves Indoor Air Quality and Cleans Naturally and Safely.

Phenomenal Aire's cold plasma generator technology can offer the same feeling you get when hiking on a high mountain trail or strolling along the ocean shore... without ever leaving the house.

How Phenomenal Aire Works
Phenomenal Aire creates a plasma field within a home's HVAC system. As air flows through the field molecules are charged, creating ions. These positive and negative ions then naturally scrub the passing air. The ions then travel on into the living space, where they safely kill mold, viruses & bacteria.

Removes Odor

Odors and VOCs enter the Plasma Field and are broken down into simple molecules like Nitrogen, Carbon Dioxide, Hydrogen, H2O, Water Vapor & Oxygen.

The Truth about Indoor Air Quality

According to the US Environmental Protection Agency (EPA), the air inside our homes is often two to five times more polluted than the outside air. On average we spend 90% of our time indoors. The air we breathe is filled with pathogens, odors, mold and fungus spores.
