Work With Purpose

FREE CNA CLASS STARTS JUNE 1

JOIN US!

STARTING TUESDAY, JUNE 1:

PioneerCare's offering FREE CNA CLASS for people who wish to start work as a CNA at PioneerCare Center or Pioneer Cottages in Fergus Falls. Successfully complete the class and Pioneer will also pay the test fee for you to get certified. We offer highly competitive pay and benefits - PLUS ADDITIONAL PAY FOR EVENINGS & NIGHTS.

See details and APPLY NOW at www.pioneer-care.org/careers.

DID YOU KNOW?

Close to 40 percent of jobs at PioneerCare require little or no previous experience or degree. For many people, that means we open the door for entry into the healthcare field.

Looking for a job where you change lives and make a real difference?

In healthcare, the most important thing is that you have a big heart. Step your foot in the door: apply today as a homemaker, household cook, caregiver, nursing assistant, or other important position at PioneerCare!

HOUSEHOLD COOKS & HOMEMAKERS - PIONEERCARE CENTER:

FOOD, GLORIOUS FOOD: Provide quality dining experiences for residents in a home-like setting where you get to know everyone by name. Full and part time positions are now available.

CAREGIVERS - PIONEER COTTAGES:

Get into healthcare with no previous certification: we provide specialized training. Assist residents with care in a small, home-like setting. Varied shifts are available including nights.

NURSING ASSISTANTS - PIONEERCARE CENTER:

Already certified? Ready for a positive change in your life? Join our team and enjoy where you go to work each day. Varied shifts are now available.

PioneerCare offers competitive pay and benefits including shift differentials, 401K retirement plan, paid time off, scholarship opportunities, and more.

Carissa Sjolie's Cancer Fund

On Wednesday, April 7th, Carissa Sjolie was diagnosed with terminal cancer. Doctors originally believe it to be Melanoma that has metastasized to her liver, spleen, lungs, and a small spot on her brain.

Immunotherapy will begin ASAP, and with that, about a 30% chance her body will accept the treatment and have more time to spend with loved ones. If the therapy does not work on her body, she may only have a couple of months.

Carissa is a very devoted stay-at-home mom of 4 children. Sons Emery(9), Calvin(2), Miles(9 months), and daughter Helena(5). Wife of Chuck Ryan since September 2017.

Carissa is the daughter of Wade Sjolie and Marcia Thompson. She currently lives with her husband and kids in West Fargo, ND.

All funds raised will go towards medical expenses, and child care expenses to help out the family.

Sam J. Thieme

Sam Johnson Thieme, 26, of Crosby, North Dakota, and formerly of Fergus Falls, died April 7, 2021, of a brain aneurysm at Sanford Medical Center in Fargo. Sam was born on June 2, 1994, in Fergus Falls, the only child of Paul Thieme and Geri Johnson. Sam entered the world as a gregarious boy, spending his youth in the outdoors surrounded by a menagerie of animals, friends of all ages and lots of space for creative projects. He debuted his entrepreneurial skills in third grade with his SamBam Bows business, making and selling kids' archery sets for Kids In Business Day. He also loved music, and played viola, guitar, and sang. He was always a voracious reader with his reading forming the basis for his many self-taught skills throughout life. In the typical adventurous nature that was Sam, he finished high school early and headed west. He landed in northwestern Nebraska first, where he worked for Sandstone Feeders, did a variety of farm and ranch

work in the Herningford area, served as a volunteer firefighter, received training at Butler's Farrier School in Crawford, Nebraska, and even hauled cattle to market by the truckload. In 2015, he moved to Vermillion, South Dakota, and drove over the road for Schoellerman Trucking and Viessman Trucking, which allowed him the freedom to experience the open road and see a good share of the country. He also worked for Midwest Ready Mix and Equipment, handling leasing and rental of heavy equipment. Meanwhile, he taught himself to write code for computer-controlled lathes, and established Midwest Migration Company, designing, manufacturing and marketing goose calls. In 2018 he moved to Williston, North Dakota, where he got involved in the fracking industry, and a short time later relocated to Dunn Center, North Dakota, where he established Thieme Energy Solutions, LLC and served as operation manager of Stray Creek Services, a company providing a variety of transportation, excavation and construction services, in a multistate area. In August of 2019 Sam met his fiancée, Tierany Johnson, in Crosby, North Dakota. They shared many of the same interests and life goals and fell in love quickly. Sam was warmly and sincerely welcomed into her family and circle of friends. They spent a great deal of time together traveling, cooking with friends and sharing in life's

greatest moments. Sam found great happiness in the love and life that he and Tierany shared together. They were to have been married next year. Sam was a man of many talents, passions and interests. He was a designer and builder who loved to work with wood and steel. He was an expert welder and an excellent heavy equipment operator. He had an artist's eye and an entrepreneur's spirit. He loved flying and was in the process of modifying a Piper Super Cub into a one-of-a-kind bush plane. Sam was an avid hunter and fisherman, and loved spending time outdoors. He was independent, curious and adventurous, hardworking, generous and giving. His final and ultimate gift was the gift of his organs for transplant to save others' lives. Survivors include his parents, Geri Johnson of Fergus Falls, and Paul Thieme of Elizabeth; his stepmother, Denise Keys of Elizabeth; his fiancée, Tierany Johnson of Crosby, North Dakota; a stepbrother, Landen Stein of Fergus Falls; a stepsister, Shena Garcia of Fargo; his grandmother, Phyllis Thieme of Broomfield, Colorado; and numerous aunts, uncles, cousins and dear friends. He was preceded in death by his grandparents, Warren and Loma Johnson of Fergus Falls, and Wilford (Bill) Thieme of Lafayette, Colorado. Celebrations of Sam's life will be held in both Fergus Falls and Crosby, North Dakota, in the near future. He will be deeply missed.

Phenomenal Aire

Cold Plasma Generator Technology

Phenomenal Aire Improves Indoor Air Quality and Cleans Naturally and Safely.

Phenomenal Aire's cold plasma generator technology can offer the same feeling you get when hiking on a high mountain trail or strolling along the ocean shore... without ever leaving the house.

Removes Odor
Odors and VOCs enter the Plasma Field and are broken down into simple molecules like Nitrogen, Carbon Dioxide, Hydrogen, H2O, Water Vapor & Oxygen.

How Phenomenal Aire Works
Phenomenal Aire creates a plasma field within a home's HVAC system. As air flows through the field molecules are charged, creating ions. These positive and negative ions then naturally scrub the passing air. The ions then travel on into the living space, where they safely kill mold, viruses & bacteria.

The Truth about Indoor Air Quality
According to the US Environmental Protection Agency (EPA), the air inside our homes is often two to five times more polluted than the outside air. On average we spend 90% of our time indoors. The air we breathe is filled with pathogens, odors, mold and fungus spores.

Cleaning Air Naturally Dedicated to improving health and changing lives.

Virus Bacteria Mold Pollen Dust Dander Odors

Cleaning Air Safely

Phenomenal Aire Cold Plasma Generator technology kills pathogens and germs while eliminating odors from the air we breathe, without creating any harmful by-products.

- Is ETL Listed & Meets ASHRAE Standards
- Generates No Ozone
- Generates No Offensive Smell or Taste
- Easy Installation
- Affordable
- Safe
- Has no moving parts
- Has no planned replacement schedule
- Only requires simple periodic inspection & cleaning
